We warmly welcome all who worship with us today

## Prayer Needs:

- God's blessing on the preached Word today, may we all experience the saving grace of the Saviour, and His boundless mercy for poor sinners.
- For the repentance and full restoration of those who have been placed under the first step of church discipline.
- Those sorrowing the loss of loved ones, those with afflictions of the body, mind and spirit, the lonely, elderly, widowers and widows in our midst.
- For revival of God's work in our country, for uprightness among our leaders.
- The persecuted church throughout the world, especially for the church in China, where hostility has increased against God's people.
- The murder of preborn babies continues in our land as we have, with sorrow, seen in the state of New York in this week. Their governor and legislature has made legal the killing of a baby in their mother's womb up until her delivery date. Pray for the Lord to have mercy and for these evil acts to end.

*"It is time for thee, LORD, to work: for they have made void thy law."*

*Psalm 119: 126*

*"Hours and Days and Years and Ages"*

*Hours and days and years and ages swift as moving shadows flee; as we scan life's fleeting pages, nothing lasting do we see. On the paths our feet are wending, footprints all will be effaced, present time to past is tending, though its page is not erased*

*They've departed who have borne us, and we flourish on their graves; Soon our children will bewail us, dropping off like falling leaves; Dust of life, which time does gather, In the grave of death is stored: Without Thee, Eternal Father, What is man on earth, O Lord?*

*But from sin Thy mercy drew us, would not leave our souls alone. Gracious Lord, Thou did renew us; in Christ's death we are Thine own. Through the mercy of Thy leading, each short step along our way now becomes a path to guide us to the land of endless day.*

*Though swift time keeps marching onward, it will not our lot decide; Thou alone, Eternal Father, will for aye our Lord abide. When life's trials overwhelm us, they cannot our souls molest; in Thy Son Thou are our Father, In Thy love our hearts do rest.*

*Speed along, then, years and ages, with your gladness and your pain; E'e when deepest sorrow rages, Faithful will our God remain. Though all friends on earth forsake us and our troubles shall increase, God with His right hand will take us to His everlasting peace.*
